1) QUESTIONS PRESENTED

a) Whether a court can dismiss the plaintiff's petition for explanation of reasons of eighteen years lasting persecutions, tortures and murdering organized against him by the CIA in violation of the fourth and fourteenth amendments to the U.S. Constitution?

b) Whether a court can tell the CIA to point out the oral surgeon who will remove the paralyzing nervous system poison injected into plaintiff's dental gums by dentists by CIA order?

c) Whether a court can issue a warrant for the CIA to stop E-M radiation in the plaintiff's apartment and his workplace?

2) LIST OF PARTIES

a) U.S. Government's Central Intelligence Agency

b) Chief of Bloomfield, N.J. Police Department, Mr. Jack McNiff, as set forth on page # 25

THADDEUS MROZ - Petitioner

v.

UNITED STATES GOVERNMENT'S

CENTRAL INTELLIGENCE AGENCY - Respondent

PETITION FOR A WRIT OF CERTIORARI

TO THE UNITED STATES COURT OF APPEALS

FOR THE THIRD CIRCUIT

Petitioner, THADDEUS MROZ, respectfully prays that a writ of certiorari issue to review the opinion of the United States Court of Appeals for the Third Circuit, entered in the proceedings on April 15, 1992.

4. OPINIONS BELOW

On February 22, 1991, I filed my accusation papers in U.S. District Court in Newark, N.J. in civil action No. 2:91CV00791 is set forth in the Appendix (as APP-1)

After more than 120 days of pending, I received notice to appear (July 17, 1991) before the court to show good cause why this action should not be dismissed, set forth in Appendix (as APP-8). I went for this hearing (after night spent with very strong radiation). The result of this hearing is indicated in transcript as set forth in the Appendix (as APP-23)

On August 6, 1991, the Federal Judge, the Honorable Harold Ackerman, dismissed my case, as set forth in the Appendix (as APP-10)

On August 21, 1991, I filed in the U.S. District Court in Newark, N.J. the Notice of Appeal to the U.S. Court of Appeals

for the Third Circuit. The case was docketed under Case No. 91-5631

On March 17, 1992 after almost 8 months of pending, the U.S. Court of Appeals for the Third Circuit summarily affirmed the Order of the District Court dated August 7, 1991 as set forth in the Appendix as (APP-12)

On March 31, 1992, I filed in the U.S. Court of Appeals the petition for rehearing as set forth in Appendix (as APP-14)

On April 15, 1992 eleven judges from the U.S. Court of Appeals for the Third Circuit denied my petition for rehearing as set forth in Appendix (as APP-22)

The U.S. courts set forth above have never given me any resons for dismissals. They also never issued any opinions. The above courts refused to issue a warrant for CIA and Bloomfield police to stop radiation

in my apartment and at my work place. The above courts also have never pointed out the oral surgeon who could remove the injected poison from my dental gums. This is a shame and this seems like the end of our civilization when a regime refuses to do justice, when judges, prosecutors and police participate in organized crimes. The judges from above courts have flouted at civilized law, constitutional law.

5) CONSTITUTIONAL AND STATUTORY PROVISIONS INVOLVED

My case is violation of my rights under U.S. Constitution.

AMENDMENT IV to the U.S. Constitution as set forth in Appendix (APP-31)

AMENDMENT VI to the U.S. Constitution as set forth in Appendix (APP-31)

Amendment XIV to the U.S. Constitution as set forth in Appendix (APP-33)

6) JURISDICTION

A timely petition for rehearing was filed on March 31, 1992. The Court of

Appeals' denial of the petition for rehearing was issued and filed on April 15, 1992 as set forth in Appendix (as APP-21-22)

---

7) STATEMENT OF THE CASE

a) Smashing of my Family

I arrived into the U.S.A. in 1974 as a Polish immigrant. A few weeks later, I received a job in Lummus Co. in Bloomfield, New Jersey. This engineering company was also the CIA's training institution. At the beginning they (the CIA) surrounded me with CIA informers mostly speaking the Polish language. A few of those Polish agents had connections with the CIA's scientists from the Polish Polytechnic Institute of Cracow (they were

graduates) for which I had worked after my graduation. Those surrounding me Polish speaking agents started my persecutions in the U.S.A. At the beginning, the persecutions were limited to brainwashing and sabotaging of my car. They liked to repeat opinions about me which they learned from my biography that was issued to them by the CIA from Polytechnic of Cracow. It is very possible that decision to destroy my life and my health was made by those CIA scientists from Polytechnic of Cracow. But why? They never told me the truth and also never wanted me to work for them. In Poland, they permanently guarded me and isolated me from people who could tell me the truth. They caused me to leave Poland. I had a fiance in Poland who I wanted to immigrate into the U.S.A. They helped us, but before she arrived into the U.S.A., she was trained by the Polish CIA, probably by the same scientist. For coming here, she obliged herself to serve

them and to perform their orders. That was the beginning of my life's destruction. She controlled my life outside of Lummus Co. and reported to them everything about my intentions and about my moods after 8 hours of brainwashing at Lummus Co. After getting married (1976) they ordered her to catch me for her pregnancy. In the fifth month of her pregnancy, they broke into our apartment with our landlord's agreement and smashed a strong closet water tank. I refused to pay for the damage. In reply to it, the Landlord (Polish) evicted us from that apartment, giving us one month to move out. I was looking for another apartment but it appeared that renting of them was also under CIA control. One of those Polish speaking agents at Lummus Co. was assigned to play the role of my friend and patron. He was kind in contradiction to the others and he was always ready to help me. He invited my fiance from Poland and when we

were evicted from our apartment, he admitted us to live at his apartment for the period until we found another apartment. On the other hand, the patron was the enemy. He was one of those agents who convinced my wife to become pregnant, and he also participated in that eviction. The purpose of this crime was to bring me to my knees to beg them to become one of them. I could beg them but I did not know who. Those people have never introduced themselves to me and never wanted to talk about working for intelligence.

As a consequence of my wife's nervous experience during her pregnancy, my baby was born (1977) sick. He often fainted and was very nervous. He was born with one twisted leg.

Because of those CIA programmers and visionists, my marriage declined and they turned us (lovers) into enemies. In 1981 after one year of compulsory separation, they forced my wife to get a divorce (1982).

They smashed my family in compliance with the famous slogan "Divide and Rule". That means in this case, take this wife away and substitute a CIA wench which will drive him crazy to the bay probably, to jail or a mental institution.

There had to be a great hate and fury that this splendid U.S. Constitutional Court did not advise me about pre-date of divorce hearing. They confiscated my wife and ever since, the U.S. Court has never informed me about this divorce case. They (the CIA) had to do it, because they could not use her properly (send her for actions) while she was living with me. Also, they wanted me to live alone in order to radiate me in my apartment. Anyway, my son was programmed by the CIA; that's why he is also the CIA's son. I believe the CIA will give him the best education in this country and support.

b) Poisoning me by dentists trained by the CIA

In April 1978, the CIA ordered dentist, Mr. John Dumanski, from Passaic, New Jersey, to inject paralyzing nervous system poison into my dental gum while treating me at that time for root canal work. The poison after injection solidified under the root of the tooth. After that, the same Polish speaking dentist, Dumanski, treated simultaneously another tooth, the same (4) on the left side. The tooth was in much better condition than the one on the right side. It just required a stop. Despite this, the dentist made an unnecessarily large opening in order to reach to the tooth's nerve. Then he covered the nerve with poison and after that stopped the tooth. I was poisoned by Dentist Dumanski twice. I insisted that dentist Dumanski remove the poison. He refused. He suggested to me that I see a psychiatrist or go to see another dentist in order to take medical advice. All the dentists I visited advised me to extract

the tooth immediately because the gum on the right side had started rotting. But none of those advisor dentists wanted to extract the poisoned tooth (CIA school of sadists). I was sent to oral surgeons the CIA masters of poisoning pointed out people by the CIA.

In 1980, I visited an oral surgeon, Mr. Alora, from Nutley New Jersey, At the beginning, he x-rayed the decayed tooth to see where the poison was located under the root and then extracted it with great caution. He split (broke) the tooth and pulled it out, piece by piece carefully in order not to pull out the poison together with the tooth root. After the tooth extraction, this dentist put dental tool into the formed gum opening and pressed the piece of poison deeply down. The gum healed over the poison inside so that the problem of poisoning and suffering was not finished.

I had a second poisoned tooth on the

left side. The poison was between porcelain stop and tooth nerve. In 1980, I went to Dentist Culari of Nutley, New Jersey. I asked him to replace the stop. He did it. But they (the CIA) again ordered him to put the poison in, this time stronger affecting because the dentist made a larger space around the nerve. The suffering was tremendous. I excluded myself from normal social life and I became unable to work.

In 1981, I visited (for the third time) Dentist Koslowsky of Bloomfield, New Jersey. I wanted him to extract that important (bridge) for my tooth. He refused to do it and sent me to oral surgeon, H. Krasner, from Bloomfield, New Jersey. Of course, Koslowsky reported about it to the CIA. Mr. Krasner extracted the poisoned tooth but at the beginning he split (broke) the tooth so that a piece of the tooth's root was left in the gum. Then under the pretext of searching for that left piece, he took a dental tool similar

to a screw driver and punched the gum with great force very deeply into from the side of the tongue. Then he slipped a piece of poison into the created opening. Now the poison is located deeply between the gum and the tongue.

Until now, there have been four U.S. dentists and one Polish dentist implicated in my poisoning and many others who did not want to be implicated.

In 1987, I went to Poland for a vacation (for the first time since arriving in the U.S.A.) to see my family. Before my vacation, I used to meet my patron from Lummus Co.. He invited me to visit him once a week. He suggested me to try to remove the poison from my gums in Poland. I followed his idea and I went to a Polish oral surgeon, the scientist from the Medical Clinic of Cracow. He scratched out the poison from my jaw (injected by Dentist Dumanski). During this operation, he made a long gum

cut and then he put deeply into the gum a new poison. He located the new poison in front of the tooth that never was treated. The cut of the gum was so long that he had to put in four stitches. The new poison has been so strong that after so many years my gum is still swollen. The right half of my face is dead. The right side of my neck and chest down to the stomach permanently hurt me. This poisoning given to me in Poland is excellently pure perfidious CIA's overseas operation. My patron again organized crime against me. He was the only person who knew about my intention to remove the poison in Poland. I believe that those CIA scientists from Polytechnic in Cracow were also implicated in that poisoning. The poison does not kill immediately. The process of murdering is slow and accompanies with tremendous pains. I need an oral surgeon who can cut the gums again and clean them out.

Many of those dentists that I visited told me that they could not remove the poison without CIA's agreement. They sent me to a psychiatrist in order to dissolve the pieces of poison in my gums by counter poison pills. During this long lasting treatment (dissolving) the psychiatrist was expected to change my approach and make a CIA informer of me. I had not had any bad approach that had to be changed at that time and I was ready to be used and work for them. But none of those CIA agents wanted to talk about it because they preferred to poison me and organized crime by crime against me. It seems that thé money they made on this crime was the reason. Having no choice, I went to the psychiatrist and I attended sessions with him for about six years. I spent a lot of money (visits and expensive medications). Really the psychiatrist did not exactly know how to make me one of them, especially after I told him the truth about

the "shadow government" global government of nuclear bomb emporium" from Camp David (Capitol) and about lies and crimes which are organized by the CIA to entrap a man into becoming a worker for CIA cult of informers. The counter poison pills prescribed by the psychiatrist did not help to dissolve the pieces of poison in my gums. In a chemical way, instead of that, they destroyed my stomach and digestive system. The reason for those counter poison pills and that psychiatric treatment was to drive me crazy and into developing mental illness. I came to understand that I was again cheated, after five years of that terrible treatment, I dropped it. And now, I am not going to be treated for the poison and murdered by U.S. psychiatrists for the purpose to make a CIA informer of me. One of those pills today is indicated as a very dangerous drug (Congetin).

c) The Radiation in my apartment and in my work place

Because of the poison, I have gotten tremendous body infections. All my body is swollen and looks like a sponge. Thanks to that swelling, my pain is less, but the CIA agents know about that decreased pain. In order to increase in pain and suffering, they stimulate the poison with electro-magnetic (E-M) radiation.

In November 1988, they started to radiate me for the second time. (The first time it was in 1983 for four months) at my apartment overnights and weekends and at my workplace every day. Practically, I have been permanently radiated for so many years. The muscles of the human body and muscles which are driving vital organs are activated by very tiny and different electricities. They (the CIA) tested the radiation guns settings by changing the lengths and frequencies of the E-M waves.

They can disturb those small electricities and develop tremendous cramps and pains of every muscle of the human body, some waves scald the skin. Sometimes the floor smelled like roasted wood. Yes, they burn me like in a microwave oven. Sometimes they generate tremendous itching of the skin. The poison injected by the CIA's dentist also generates similar feelings, but the cramps and pain are not located in one place for a long time. The radiations locates the pain in the one spot they want and then when radiation is stopped, the tremendous pain still lasts for the next few hours. It looks like stimulated by radiation, the poison blocks the muscles' blood cells. The doses of radiation are also absorbed by the bones and after the radiation is stopped, the radiated bones become a secondary source of radiating - the feeling is like scalding from inside - a lot of pain. The radiation waves have

enormous energy when passing through matter. They pass easily through floors, concrete walls, lead sheets and so on. I have got an 1" thick lead plate underneath my bed. The radiation easily passes through that plate. To my knowledge only x-rays and gamma rays have the same properties as the CIA's radiation, it is known that excessive external gamma or x-rays radiation can cause serious internal damage of the body including developing of cancer. It happened twice as my brain was radiated while I was asleep. After waking up, I was paralyzed. I could not move at all for about two hours. Then I vomited very badly and after I recovered, the balance of my body I was still sick for the next few days. After (during the night) radiating my kidneys and bladder I used to have blood in my urine and as usual, pain lasting a few hours.

Chest (lungs) irritation from the radiation causes tremendous cough sometimes with a

lot of blood and cramps (sultriness). The stomach and intestines are permanently swollen. The cramps from the radiation causes permanently lasting heartburn for which I cannot find any medication. We know that the bones inside are filled with marrow - the factory of human blood. The radiation of bones can cause leukemia - blood cancer.

I reported many times about this radiation to the administration of my apartment. Each time the lady confirmed that the apartment below was empty. She sent me to the superintendent. I talked to him a couple of times but he always refuses to catch those criminals, telling me that the police take responsibility for this crime. Also I reported many times about the radiation at my workplace to my company officials. They also refused to open the ceiling underneath of the floor at my desk place.

d) <u>Police involvement in organized crime against me</u>.

Since 1979, I have been permanently looking for justice, but justice in our country does not exist any more although there are so many federal and state institutions whose existence is based on constitutional law and justice, but really those institutions are fictitious and work under CIA's dictatorship and they are maintained only for the secret CIA to play its game.

So I started from 1979. From the police, they sent me to the federal prosecutor, who then sent me to the FBI, who then sent me to Human Rights (American Civil Liberties Union and Amnesty International) who then sent me to the Criminal Justice Division, who then sent me to the Environmental Protection Agency and to so many other so many times. They used to call this phenomenon "shifting work off on others". Unfortunately they have always refused to help me to resolve my problems, giving me the explanation that the U.S. government had been involved and

they had no jurisdiction against the CIA.

Like in other countries from all over the world, the police department is an institution manipulated by the CIA and is not maintained to defend citizens they are maintained to defend politicians from CIA fraternities. That's why the police from Bloomfield so many times refused to bring to justice those criminals from radiation and poisoning. It happened twice that they refused to come. I was told on the telephone that they could not help me because the government was involved. They told me to try to talk to the CIA. Then I sent a couple of petitions to the CIA which they have never answered. I also telephoned to them but they did not want to talk to me. They always hung up the telephone.

On March 15, 1989, the police arrested me in my apartment and without any explanations they imprisoned me in Marlboro (CIA) Psychiatric Hospital, New Jersey. The psychiatrist (who treated me again for poison) told me

that I was imprisoned in that hospital for six weeks because they (the CIA) wanted to remove the poison from my gums in a chemical way by counter poison pills. Isn't it a mental sickness and murdering? In that psychiatric hospital, the CIA was ruining patients' health with compulsory (or by needle to those who refused) medications and also tortured patients by radiation emitted at least five times a day. They also radiated my head and feet in my bed over nights so that after six weeks of imprisonment I left the mad place very sick, having a very big problem with my digestive system, (stomach and intestines). The compulsory medications (poison solvents) also inspired me with fear, stupefied me and drove me to want to commit suicide.

On June 10, 1990, I again sent another petition. This time to the U.S. Congressmen: Mr. Robert Roe and Mr. Donald Payne, and U.S. Senators: Bill Bradley and Frank Lautenberg.

I was asking these gentlemen from the U.S. Government for help and to tell the police of Bloomfield, New Jersey, to bring to justice those CIA agents who for many years were permanently radiating my apartment and ruining my health. Up to now, I have received no help.

So where is the government that organizes crime by crime against me without any explanatic and without court confrontation? I asked my Congressman, Mr. Robert Roe, for help. He represents my district and me in the U.S. Government. He promised to assist me. That's why so many times, "after nights spent with radiation, I telephoned to his secretary, Mrs. Mayers, in the Bloomfield office asking Mrs. Mayers to remind him about me and my problems. Then Mrs. Mayers turned my problems over to Mr. Roe's Assistant, Mr. Puzo. I talked to Mr. Puzo twice. The last time he told me that he already started negotiations with the Chief of the

Bloomfield Police Department, Mr. McNiff, to stop the radiation. Then two days later (June 1990), Mr. McNiff's police assailed me at my apartment and without any explanations or warrant, they enchained me and imprisoned me for eleven days in Mountainside Hospital, Montclair, New Jersey, in the ward for the mentally sick. When the people from the hospital staff asked the police for an explanation, the answer was that I was mentally sick because I had bothered Congressmen. This is the second time that I was deprived of my liberty (1989 and 1990) without due process of law. This was pure terrorism and the terrorists from the police and CIA again violated U.S. Constitutional Amendment XIV. It was not only deprival of liberty, I was tortured in those two hospitals by compulsory medications and by radiations over days and over nights in my bed. They loved to radiate my head. That's why they radiated my head and feet.

HEREBY, I accuse the Chief of the Bloomfield Police Department, Mr. Jack McNiff, of torturing me by E-M radiation in my apartment and organized terrorism by imprisoning me twice in CIA mental institutions without due process of law.

There are a couple of reasons for this radiation TORTURE. They wanted to force me to beg them to be a CIA informer, but who shall I beg? Until now, nobody from the CIA has wanted to introduce himself and talk with me. Now there are serious consequences for so many committed crimes against me for nothing.

e) PROVOCATIONS. They want to create such a circumstance that they could put me into jail or again into a mental institution. They (the CIA) figured out that some day I won't stand that terrible radiation and break into that empty apartment to punish them and then they catch me and make a criminal of me because the U.S. Constitutional Court

never considers the reasons created by the CIA. The U.S. Court considers only final facts.

I have heard many stories of how the CIA treats prisoners in jails in order to make informers of them, but many of them don't want to ask to be an informer. That is why they return to jail again and again.

CARRYING OUT EXPERIMENTS. It looks that they want to remove the pieces of poison from my gums by this cruel radiation. These criminals of radiation below and the guards of them in adjacent apartments must cost the CIA a lot of money - so many years of cruelty - just for nothing. Just for the slogan "You will ask for it" This slogan is their reason for so big a crime.

Persecutions in my Work Places. Officially there is no CIA. They exist only in Langley and McLean, Virginia. But unofficially CIA's secret nests exists by every working institution (hospitals too)

and communities (churches too). In each institution, each employee has got his intelligence secret second function. For these people from CIA's cult of informers, there is never a lay-off. If work is finished in one company, the CIA transfers them to other companies. The CIA decides who will be working, and who won't. They decide about promotions, positions, wages and privileges. This is everything in recognition of how employees - informers acquit themselves of intelligence actions for which they are sent during and after company hours. These actions programmed by the CIA in the majority of cases are not limited only to collecting pieces of information needed for governmental security or for peace, mostly the actions are purely organized crime and provocations. In other words, the government does not look for peace enemies or criminals. On the contrary, the government creates them all.

My first job in the U.S.A. was when I started in Lummus Co. After three years of persecutions by Polish speaking CIA and eviction of me from my apartment. When my wife was pregnant, I quit the job. A couple of months later, my patron (from Lummus CIA) helped me to find another job at Foster Wheeler Company (Livingston, New Jersey, 1977). Unfortunately, the CIA had to take revenge for a moral defeat at Lummus Co. (Eviction from apartment, pregnant woman.) - After almost one year of persecution, the CIA from Foster Wheeler Company ordered Dentist Dumansky to poison me. There is no doubt that Polish speaking CIA agents (including my patron from Lummus Co.) are implicated in that poisoning too. Because of poison, I suffered very badly. My poisoning reflected on my job productivity. I had permanent headaches and blurred vision. I visited many dentists but each time they refused to remove the poison. After 18

months of poisoning they (Foster Wheeler's Industrial Relations Assistant) called me to the personnel office and told me that from October 25, 1979, you will begin leave of absence for whatever duration is necessary to resolve your problem (poison) which may be causing your mental attitude. They sent me to a psychiatrist (to be treated for poison) to change my mental attitude. I refused to be treated for poison. In response to that, the Foster Wheeler Company terminated my employment. That was very smart. First they poisoned me and then kicked me away from work. The poison was so strong that for two years I could not work. I was not looking for another job because I was disabled. It took only two years for them (the CIA) to understand that I would not go to a psychiatrist to be treated for their poison. Then they started to look for other dirty tricks to return me to work. The only person they could use for that purpose was my wife.

That's why they ordered her to move out from me. I suspect that my CIA patron took his part in that crime. On the other hand, he helped me again to get work back in Lummus Co. Again, from the beginning at Lummus, I had the same problem of suffering from poison. In 1982, They (the CIA) forced my wife to get a divorce. In 1983, the CIA of Lummus Co. started radiating me in my workspot and at my apartment for four months. Then I was laid off. After one year they called me back. In 1985, I was laid off again. This time, the CIA deprived me of the right to work for a couple of years. Although I sent my resumes each week, there was no work for me. The employers were looking for skilled people but they were not allowed to hire me. I made a mistake when I attended sessions with that CIA psychiatrist so long. They (the CIA) counted on him very much. When it appeared that the psychiatrist could not help them, they

gave me a job in January 1989, in ARCO-BOC (Murray Hill, New Jersey). Again, they mounted in the ceiling and walls the radiation guns and sprayed my stomach and brain. Also at my apartment, they created the same radiation. In March 1989, the police imprisoned me in Marlboro Mental Institution. It was organized by the CIA from ARCO and the Bloomfield criminal community, all-CIA cult of informers with the CIA's agent on top.

In September 1989, they (CIA) finally allowed me to return to work (Formosa Plastics USA, Livingston, New Jersey). They again created unacceptable working conditions. They have again sprayed my stomach and my head. I have already spoken a couple of times to company officials but they have refused to remove the radiation guns. Up to now, I have not worked for the past six years. This is because of poisoning (Disabled), and again because of the CIA that deprived me of the right to work. (They did not

allow employers to employ me for six years.) That is a lot of money, is it not?

8) REASONS FOR GRANTING THE WRIT

Certiorari should be be granted for the reason that it must be explained why CIA has committed so many persecutions and crimes against me and when are they going to stop?

I cannot live all my life long with the poison in my dental gums and the radiation in my work place and apartment. That is why I appeal to the U.S. Government to appoint the oral surgeon who will remove the poison out of my gums and will not poison me again.

9) CONCLUSION

Those described above prejudices committed against me constitute my major complaints. I wish to explain that I wanted to immigrate into the U.S.A. (nobody forced me) and I wanted to help to build a strong America and not to struggle a battle with those mentally sick from the CIA's cult of informers.

Officially the U.S. Government takes responsibility for this crime. The government trained those people and now knows how to find them in order to bring them to justice. Anyway, the CIA destroyed my young life and my health.

For the reasons set forth above, a Writ of Certiorari should be issued to review the judgment and opinion of the Court of Appeals.

My persecutions are connected with the slogan "And ye shall know the truth and the truth shall make you free". This holy slogan is inscribed on the marble wall of the main lobby at CIA headquarters in Langley, Virginia, U.S.A. The slogan is the reason for disaster for so many people who don't know the truth about the KGB. The truth is only for informers from the CIA's cult of informers. Once again, please do justice gentlemen and do not postpone my case that should have been settled many years ago.

Respectfully,

NO. 91-5691

To

UNITED STATES

DISTRICT COURT

FOR THE DISTRICT

OF NEW JERSEY

NEWARK, N.J.

February 22, 1991

THADDEUS MROZ = PLAINTIFF

VS.

UNITED STATES GOVERNMENT'S

CENTRAL INTELLIGENCE AGENCY = DEFENDANT

DO JUSTICE GENTLEMEN LIKE YOU ARE EXPECTED TO DO. DO JUSTICE IN PURSUANCE OF THE U.S. CONSTITUTION AND NOT ONLY IN COMPLIANCE

WITH C.I.A. ORDERS.

JUSTICE FOR EVERYBODY AND NOT ONLY FOR COLONEL OLIVER NORTH, AS PROPAGANDA SHOWS, AND JUSTICE FOR ME TOO PLEASE.

HEREBY I AM ACCUSING THE U.S. GOVERNMENT AND THE RELATED TO IT C.I.A. FOR GROUNDLESS PERSECUTIONS AND COMMITTED CRIMES AGAINST ME IN YEARS BEGINNING 1974 UP TO THE PRESENT TIME.

THIS IS MY SECOND ACCUSATION. IN 1989, I ACCUSED THE U.S. GOVERNMENT AND C.I.A. AT THE FEDERAL COURT IN NEWARK, N.J. ALSO FOR PERSECUTIONS AND COMMITTED CRIMES AGAINST ME. BUT A FEDERAL JUDGE DISMISSED THE COMPLAINT GIVING ME SOME NONCOMMITAL AND FOOLISH EXPLANATIONS. THOSE WERE RATHER DESCRIPTIONS OF THE U.S. COURT'S HISTORY AND NOT AN ACT OF JUSTICE AND RELIEF. SO, THAT THE MATTER STILL HAS NOT BEEN CLEARED UP.

TWELVE AND A HALF YEARS AGO, THE C.I.A. ORDERED DENTISTS TO INJECT PARALYZING POISON INTO MY GUMS THROUGH TREATMENT AT THAT TIME

FOR ROOT CANALS.

AFTER TEETH EXTRACTING, THE DENTISTS LEFT THE POISON IN MY GUMS ON PURPOSE, SO THAT TILL NOW I HAVE GOT HEALED UP GUMS WITH THE PIECES OF POISON IN THEM. THE POISON PARALYZES THE NERVOUS SYSTEM, MAKING ME DISABLED FOR WORK AND A NORMAL LIFE.

I NEED AN ORAL SURGEON WHO CAN CUT THE GUMS AND CLEAN THEM UP. UP TO NOW, THERE HAVE BEEN FOUR U.S DENTISTS AND ONE POLISH IMPLICATED IN MY POISONING (YES, I WAS POISONED FIVE TIMES) AND ABOUT TWENTY OTHERS WHO DID NOT WANT TO BE INVOLVED. IT WAS SAID PLENTY OF TIMES THAT THEY COULD NOT REMOVE THE POISON WITHOUT THE C.I.A.'s AGREEMENT.

THEY SENT ME TO A PSYCHIATRIST IN ORDER TO BE TREATED FOR THE POISON. DURING THIS LONG LASTING TREATMENT, THE PSYCHIATRIST WAS EXPECTED TO CHANGE MY APPROACH AND MAKE A C.I.A. INFORMER OF ME. THEN THE C.I.A. WOULD AGREE TO REMOVE THE POISON OFF. I

HAD NOT HAD ANY WRONG APPROACH THAT HAD TO BE CHANGED AT THAT TIME AND I WAS READY TO BE USED AND WORK FOR THEM, BUT NONE OF THOSE SADISTS WANTED TO TALK TO ME ABOUT IT, BECAUSE THEY PREFERRED TO POISON ME AND THEN ORGANIZE CRIME BY CRIME AGAINST ME FOR NO REASON, PROBABLY THEY HAVE GOT TO DO A LOT OF MONEY ON THIS CRIME.

HAVING NO CHOICE, I WENT TO THE PSYCHIATRIST AND I ATTENDED HIM THROUGHOUT SIX YEARS. BUT HE DID NOT EXACTLY KNOW HOW TO DO ME ONE OF THEM, BECAUSE HE COULD NEVER ANSWER MY SIMPLE QUESTION - WHY? WHY DID THOSE THOUGHTLESS IMBECILES HAVE TO POISON ME, SMASH MY FAMILY AND SO ON ... THE COUNTER POISON PILLS HE PRESCRIBED DID NOT HELP TO REMOVE THE PIECES OF POISON IN A CHEMICAL WAY, INSTEAD OF THAT THEY DESTROYED MY STOMACH AND DIGESTIVE SYSTEM AND ACTED IN A TERRIBLE WAY - A LOT OF SIDE EFFECTS, SO THAT I HAD TO DROP THAT TREATMENT AND I AM NOT GOING TO BE MURDERED BY PSYCHIATRISTS AND BE TREATED

FOR THE POISON ANY LONGER. BY THE WAY, I WOULD SUGGEST TO TREAT THOSE C.I.A IMBECILES (WHO ORDERED TO POISON ME) FOR BRAIN SYPHILIS SO THAT THEY SUFFER.

THIS POISONING IS NOT ONLY AN ACT OF ORGANIZED CRIME AND STUPIDITY, THIS IS A MENTAL SICKNESS OF THE C.I.A.'S INTELLIGENT CULT. ONE NEEDS TO HAVE A GREAT IMAGINATION IN ORDER TO REALIZE HOW MUCH I HAVE BEEN SUFFERING BECAUSE OF THIS POISON. THIS IS A TREMENDOUS PUNISHMENT. I WOULD HAVE PREFERRED TO SPEND THOSE TWELVE YEARS IN PRISON INSTEAD OF DYING DAY-BY-DAY FROM THIS POISON, FOR WHAT IS THIS PUNISHMENT? WHAT DID I DO?

MORE THAN THAT, IN NOVEMBER 1988, THEY STARTED TO RADIATE ME, SECOND TIME AT MY APARTMENT (FIRST TIME IT WAS IN 1983 FOR FOUR MONTHS) WITH CANCER CAUSING VERY STRONG ELECTRO-MAGNETIC WAVES. THE RADIATION EMITTED FROM AN OFFICIALLY EMPTY APARTMENT BELOW MAKES MUSCLE CRAMPS AND DEVELOPS TREMENDOUS PAIN IN AFFECTED AREAS (SPOTS) OF THE BODY,

SOMETIMES THE PAIN LASTS FOR A COUPLE OF HOURS AFTER THE RADIATION IS STOPPED. THEY EXACTLY KNOW THAT CRAMP OF HEAD MUSCLES FROM RADIATION, CAUSES THAT INJECTED BEFORE POISON INTO THE GUMS DOES NOT GET OUT THROUGH SURROUNDING BLOOD CELLS - SIMPLY IT IS BLOCKADED AND AFFECTS WITH CRUELER STRENGTH - PAIN WITH ATTENDING BLINDNESS.

IT IS ANOTHER STUPIDITY, HATE AND FURY: IN 1982, THEY FORCED MY WIFE TO GET A DIVORCE - THEY SMASHED MY FAMILY IN COMPLIANCE WITH THE FAMOUS SLOGAN "DIVIDE AND RULE" THAT MEANS IN THIS CASE: TAKE HIS WIFE AWAY AND SUBSTITUTE C.I.A.'S WENCH, THAT WILL DRIVE HIM CRAZY TO THE BAY (PROBABLY TO JAIL).

THOSE DESCRIBED ABOVE PREJUDICES COMMITTED AGAINST ME CONSTITUTE MY MAJOR COMPLAINT. I HAVE GOT MORE COMPLAINTS, THOSE ARE DESCRIBED SEPARATELY ON "32 PAGES" ENCLOSED WITH THIS COMPLAINT.

OFFICIALLY, THE U.S. GOVERNMENT TAKES RESPONSIBILITY FOR THIS CRIME. THE GOVERNMENT

TRAINED THOSE PEOPLE AND NOW KNOWS HOW TO FIND THEM IN ORDER TO BRING THEM TO JUSTICE? I ALSO APPEAL TO THE U.S. GOVERNMENT TO POINT OUT THE ORAL SURGEON WHO WILL REMOVE THE POISON OUT OF NY GUMS AND WILL NOT POISON ME ONCE AGAIN. BECAUSE "28 LAWYERS" REFUSED TO TAKE THIS CASE, I WILL HAVE TO REPRESENT MYSELF.

NOTICE OF CALL FOR DISMISSAL

PURSUANT TO GENERAL RULE 10

PLEASE TAKE NOTICE that the above-captioned matter, having been pending for more than 120 days without any proceeding having been taken therein, will be called on JULY 17, 1991 at 9:00 a.m. in Courtroom number 2, unless good cause is shown with the filing of an affidavit before the return date. If said affidavit has not been filed before the return date, counsel are required to appear before the Court to show

good cause why this action should not be dismissed for lack of prosecution.

WILLIAM T. WALSH, CLERK

ORDER DISMISSING CASE

DISTRICT COURT OF THE UNITED STATES

DISTRICT OF NEW JERSEY

THADDEUS MROZ	:	CIVIL 91-791 (HAA)
V.	:	
UNITED STATES	:	ORDER DISMISSING
	:	pursuant to General
	:	Rule 30

It appearing to the Court that the above case has been pending for more than 4 months without any proceeding having been taken therein, and no objection having been entered at a call of the calendar, it is on this 6th day of August, 1991,

ORDERED that the above case be and the same hereby is dismissed in accordance with General Rule 30, without prejudice and without cost to either party.

Harold A. Ackerman

Judge

CPS-109 February 20, 1992

UNITED STATES COURT OF APPEALS FOR THIRD CIRCUIT

C.A. No. 91-5691

THADDEUS MROZ

vs.

UNITED STATES GOVERNMENT'S CENTRAL INTELLIGENCE AGENCY

(D.N.J. Civ. No. 91-00791)

Present: STAPLETON, GREENBERG, and NYGAARD, CIRCUIT JUDGES

Submitted are:

(1) By the Clerk is the within appeal for possible summary action pursuant to Chapter 10.6 of the Internal Operating Procedure;

(2) Appellant's response;

(3) Appellee's response; and

(4) Appellant's reply to Appellee's response in the above-captioned case.

Respectfully,

Clerk

SM/MJW/jm

ORDER

The Order of the District Court dated August 7, 1991 will be summarily affirmed.

By the Court

Circuit Judge

Dated: March 17, 1992

March 31, 1992

THADDEUS MROZ
101C Brookdale Gardens
Bloomfield, NJ 07003

TO: U.S. COURT OF APPEALS
FOR THE THIRD CIRCUIT
601 MARKET STREET
PHILADELPHIA, PA 19106

RE: DOCKET NO. 91-5691
MROZ vs. U.S. GOV. C.I.A.

PETITION FOR REHEARING

TO CIRCUIT JUDGES: Mr. Stapleton
Mr. Greenberg
Mr. Nygaard

I AM FULL OF SURPRISE THAT THIS FEDERAL COURT OF APPEALS DISMISSED MY APPEAL AFTER SEVEN MONTHS OF PENDING, THAT IS THE SHAME, THAT ORDER OF THE DISTRICT COURT DATED

AUGUST 7, 1991 WAS SUMMARILY AFFIRMED.

AT THAT TIME, ON AUGUST 7, 1991, THE U.S. JUDGE, MR. ACKERMAN, REFUSED TO ISSUE A WARRANT FOR THE BLOOMFIELD POLICE DEPARTMENT TO ARREST THOSE CRIMINALS WHO FOR MANY YEARS RADIATE MY APARTMENT AND DESTROY MY HEALTH. THIS IS PURE VIOLATION OF THE U.S. CONSTITUTION AMENDMENT NO. VI AND NO. IV. THE JUDGE REFUSED TO PERFORM HIS CONSTITUTIONAL DUTY.

THAT'S ANOTHER SHAME THAT THIS U.S. COURT OF APPEALS DURING SEVEN MONTHS OF PENDING ALSO HAS NOT ISSUED SUCH A WARRANT. ALSO U.S ATTORNEYS FROM NEWARK, NEW JERSEY, AND PHILADELPHIA HAVE KNOWN ABOUT THIS CRIME. UNTIL TODAY, THEY HAVE DONE NOTHING - NO WARRANT EITHER. WHAT IS THE REASON OF SO MANY DISMISSALS WITH NO EXPLANATION? IS THE C.I.A. AFRAID OF COURT CONFRONTATIONS? THE CRIMES COMMITTED AGAINST ME HAVE GOT NO REAL EXPLANATIONS AND REASONS.

I HAVE BEEN TREMENDOUSLY PUNISHED JUST FOR NOTHING, JUST FOR MENTAL SICKNESS OF

THE PEACE BOYS FROM THE C.I.A.'S CULT OF INFORMERS. THIS MENTAL SICKNESSES CALLS ITSELF AS WORLD'S GOVERNMENT. SUCH A GOVERNMENT: THAT SMASHES THE FAMILIES WHICH SHOULD BE A FOUNDATION OF THE NATION: THAT TRAINS DENTISTS TO POISON PEOPLE WHO DON'T KNOW THE TRUTH: THAT RADIATES PEOPLE IN APARTMENTS AND WORK PLACES (THE RADIATION STIMULATES THE POISON TO STRONGER ACTING. AFTER THE RADIATION IS STOPPED THE STIMULATED POISON KEEPS THE PAIN FOR A FEW HOURS, SO THAT I HAVE GOT PERMANENT PAIN (DAYS AND NIGHTS) AT AFFECTED AREAS OF THE BODY): THAT TURNS BROTHERS INTO ENEMIES; THAT MAKES DIRTY TRICKS AND PERSECUTIONS AND SO ON.

I ASKED MY CONGRESSMAN, MR. ROBERT ROE, FOR HELP. HE REPRESENTS MY DISTRICT AND ME IN THE U.S. GOVERNMENT. HE PROMISED TO ASSIST ME, THAT IS WHY SO MANY TIMES (AFTER NIGHTS SPENT WITH RADIATION - I TELEPHONED TO HIS SECRETARY (MRS. MAYERS)

IN THE BLOOMFIELD OFFICE ASKING HER TO REMIND HIM ABOUT ME.

THEN MRS. MAYERS TRANSFERRED MY PROBLEMS TO MR. ROE'S ASSISTANT, MR. PUZO. I TALKED TO MR. PUZO A FEW TIMES. THE LAST TIME HE TOLD ME THAT HE ALREADY STARTED NEGOTIATIONS WITH THE CHIEF OF THE BLOOMFIELD POLICE, MR. McNIFF TO STOP THE RADIATION. THEN TWO DAYS LATER, MR. McNIFF'S POLICE ASSAILED ME AT MY APARTMENT AND WITH NO EXPLANATION OR WARRANT, THEY ENCHAINED ME AND THEN THEY IMPRISONED ME FOR ELEVEN DAYS IN MOUNTAINSIDE HOSPITAL IN THE DEPARTMENT FOR THE MENTALLY SICK. WHEN PEOPLE FROM THE HOSPITAL STAFF ASKED THE POLICE FOR AN EXPLANATION - THE ANSWER WAS THAT I WAS MENTALLY SICK BECAUSE I HAD BOTHERED MR. CONGRESSMAN.

IT HAPPENED THE SECOND TIME (MARCH 1989 AND JUNE 1991) THAT I WAS DEPRIVED OF MY LIBERTY WITHOUT DUE PROCESS OF LAW.

THE TERRORISTS FROM THE POLICE AND THE

C.I.A. AGAIN VIOLATED THE U. S. CONSTITUTIONAL AMENDMENT NO. XIV. I WAS NOT ONLY DEPRIVED OF LIBERTY, BUT I WAS TORTURED IN THAT HOSPITAL BY COMPULSORY MEDICATIONS AND BY RADIATION IN MY BED. THEY STILL LOVED TO RADIATE MY HEAD.

WHEN I WAS FIRST IMPRISONED IN MARLBORO MENTAL HOSPITAL ALSO FOR NO REASON, THE PSYCHIATRIST TOLD ME THAT I HAD BEEN IMPRISONED FOR SIX WEEKS BECAUSE THOSE "MENTALLY SICK IMBECILES FROM THE C.I.A." WANTED TO REMOVE THE PIECES OF POISON FROM MY GUMS IN A CHEMICAL WAY BY COUNTER POISON PILLS. ISN'T IT A BRAIN SYPHILIS? ISN'T IT A MENTAL SICKNESS, STUPIDITY AND MURDERING. OF COURSE, THE COUNTER POISON PILLS DID NOT HELP THEM, INSTEAD OF THAT THEY DESTROYED MY STOMACH AND MY DIGESTIVE SYSTEM.

IS IT A TRUTH THAT NOW THE IMBECILES WANT TO REMOVE THE POISON FROM MY GUMS, BY THIS CRUEL RADIATION? THOSE CRIMINALS FROM RADIATION AND GUARDS IN ADJACENT APART-

MENTS, MUST COST THOSE IDIOTS A LOT OF MONEY (THREE AND A HALF YEARS OF RADIATION) IS THERE ANYONE IN OUR COUNTRY YET WHO CAN ASK THEM WHY HAVE THEY DONE IT?

IN 1981, THEY SEPARATED MY MARRIAGE AND THEN THE U.S. COURT WITHOUT ADVISING ME MADE THE DIVORCE. THERE WERE A COUPLE OF REASONS FOR THIS DIVORCE. THEY COULD NOT PROPERLY USE MY WIFE WHEN SHE WAS LIVING WITH ME. THEY WANTED TO FORCE ME TO GO BACK TO WORK AFTER TWO YEARS OF UNEMPLOYMENT. THEY WANTED ME TO LIVE ALONE IN ORDER TO RADIATE ME. I JUST STARTED WORKING FOR LUMMUS CO. WHEN THEY STARTED RADIATING ME AT MY WORK SPOT AND MY APARTMENT.

I WAS BRED IN POLAND AND I WAS ALWAYS TRAINED TO REPORT TO THE POLICE ABOUT ORGANIZED CRIME. BUT THE BLOOMFIELD POLICE FOR A FEW MONTHS DID NOT KNOW HOW TO RESOLVE THE RADIATION AND POISON PROBLEMS. FINALLY THEY SENT ME TO THE CLARA MAASS HOSPITAL IN ORDER TO BE TREATED FOR POISON. AS THEY

SAID THAT WAS THE ONLY WAY TO GET RID OF POISON, I WENT TO THE HOSPITAL OF MY OWN WILL. UNFORTUNATELY, THEY IMPRISONED ME IN THE MENTALLY ILL DEPARTMENT FOR 14 DAYS. I WAS TREATED BY COUNTER POISON PILLS. AFTER SOME OF THEM, I LOST MY SIGHT. A FEW DAYS LATER I RECOVERED MY SIGHT, BUT NEVER LIKE IT WAS BEFORE. AFTER I LEFT THE HOSPITAL, THE PSYCHIATRIST TREATED ME THROUGHOUT SIX YEARS GIVING ME HOPE THAT PRETTY SOON THE POISON WOULD BE DISSOLVED. ONE OF THE COUNTER POISON PILLS WAS CONGETIN. TODAY IT IS RECOGNIZED AS A VERY DANGEROUS DRUG - YES, TOGETHER WITH POISON, IT DESTROYED MY SIGHT AND MY DIGESTIVE SYSTEM. THERE IS NO DOUBT THAT THEY DESTROYED MY LIFE BECAUSE OF POISON FOR 13 YEARS. I HAVE EXCEPTED MYSELF FROM A NORMAL SOCIAL AND SEXUAL LIFE. THEY RUINED THE NICEST YEARS OF MY LIFE. I AM VERY SURPRISED THAT THEY HAVE A GRUDGE AGAINST ME THAT I DO NOT WORK FOR THEM. HOW CAN I WORK IF I HAVE STILL

BEEN POISONED. HOW CAN I WORK IF TILL TODAY NOBODY TALKED TO ME ABOUT IT. TODAY IT IS VERY DIFFICULT. THEY PUSHED ME TOO FAR, TOO MANY CRIMES. THAT IS WHY I BELIEVE THAT THE U.S. FEDERAL COURT WILL RESOLVE THIS PROBLEM. I KNOW IT IS EASIER TO ORGANIZE CRIME THAN TO DO JUSTICE. THEN DO JUSTICE GENTLEMEN! BEFORE I WILL DO CRIME.

I ACCUSE THE CHIEF OF THE BLOOMFIELD POLICE, MR. McNIFF, FOR TORTURING ME BY ELECTRO-MAGNETIC RADIATION AND ORGANIZED TERRORISM - IMPRISONING ME TWICE IN MENTAL HOSPITALS WITHOUT DUE PROCESS OF LAW.

RESPECTFULLY,

THADDEUS MROZ

UNITED STATES COURT OF APPEALS

FOR THE THIRD CIRCUIT

No. 91-5691

THADDEUS MROZ

vs.

UNITED STATES GOVERNMENT'S

CENTRAL INTELLIGENCE AGENCY

(D.N.J. Civ. No. 91-00791)

SUR PETITION FOR REHEARING

BEFORE: SLOVITER, Chief Judge, BECKER,

STAPLETON, MANSMANN, GREENBERG,

HUTCHINSON, SCIRICA, COWEN,

NYGAARD, ALITO, and ROTH,

circuit Judges

The petition for rehearing filed by

appellant in the above-entitled case having been submitted to the judges who participated in the decision of this Court and to all the other available circuit judges of the circuit in regular active service, and no judge who concurred in the decision having asked for rehearing, and a majority of the circuit judges of the circuit in regular active service not having voted for rehearing by the court in banc, the petition for rehearing is denied.

By the Court,

Walter K. Stapleton

Circuit Judge

Dated: April 15, 1992

IN THE UNITED STATES
DISTRICT COURT
FOR THE DISTRICT
OF NEW JERSEY
CIVIL ACTION NO.
91-791

THADDEUS MROZ,

Plaintiff,

-vs-

UNITED STATES CIA,

Defendant.

TRANSCRIPT OF PROCEEDING:

MOTION

Newark, New Jersey
July 17, 1991

B E F O R E:

THE HONORABLE HAROLD A. ACKERMAN, U.S.D.J.

A P P E A R A N C E S:

THADDEUS MROZ
Pro se

Pursuant to Section 753 Title 28 United States Code the following transcript is certified to be an accurate record as taken stenographically in the above entitled proceedings

---

Thomas F. Brazaitis, C.S.R.
Official Court Reporter
THOMAS F. BRAZAITIS, CSR,
OFFICIAL COURT REPORTER, NEWARK, N.J.

THE COURT: Now, this matter has been called on our calendar today because of -- for dismissal pursuant to Rule 30.

Your name sir?

MR. MROZ: Thaddeus Mroz.

THE COURT: Are you representing yourself, sir?

MR. MROZ: Yes.

THE COURT: Why haven't you prosecuted this action? Why haven't you served the papers on your adversary?

MR. MROZ: I wanted to hire a lawyer, but --

THE COURT: I can't hear you.

MR. MROZ: I want to explain. I'm from Poland. My language is imperfect.

Because I have problems with CIA.

THE COURT: You said you were from Poland?

MR. MROZ: Yes.

THE COURT: How long have you been here?

MR. MROZ: Seventeen years. I have

been persecuted up to now. The persecution is pure crime.

Thirteen years ago they organized poison by dentist, injected poison into my gums. I have poison injected in my gums.

THE COURT: Who put poison in your gums?

MR. MROZ: Dentist.

THE COURT: Then why are you suing the United States?

MR. MROZ: Because it was organized by CIA.

THE COURT: The CIA?

MR. MROZ: Yes.

THE COURT: Why haven't you served the papers in this matter?

MR. MROZ: There were no papers.

The accusation?

THE COURT: Have you served the government?

MR. MROZ: Yes, I served the government.

I sent a letter to U.S.

I'm sorry, my language is imperfect, but I cannot - through 17 years, I couldn't improve my language.

THE COURT: When did the government dismiss -- when -- what judge dismissed your complaints?

MR. MROZ: Judge Maryanne Barry.

THE COURT: When?

MR. MROZ: Two years ago.

THE COURT: What right do you have to be back here again?

MR. MROZ; Because I wanted to appear, they send me back here.

THE COURT: But you have no right to. If the court carefully considered your papers before and dismissed the case, you can't bounce like a ball into another court and say, well, that judge dismissed my case. THOMAS F. BRAZAITIS, CSR, OFFICIAL COURT REPORTER, NEWARK, N.J.

MR. MROZ: I cannot live in my apartment. It's 13 years. I am suffering every day. I'm dying every day. And I cannot - my apartment for 12 years, the CIA send agents for 12 years --

THE COURT: You allege that 12 and a half years ago the CIA ordered dentists to inject paralyzing poison into your gums?

MR. MROZ: Yes.

THE COURT: That's an extremely interesting charge.

And they left the poison in your gums on purpose. Is that correct?

MR. MROZ: Yes.

THE COURT: And you still have the poison in your gums?

MR. MROZ: Yes.

THE COURT: And Judge Barry threw the case out?

MR. MROZ: Yes.

THE COURT: Did you appeal her ruling?

MR. MROZ: No.

THE COURT: Sir, I am terribly sorry --

MR. MROZ: Mr. Judge, I have the problem with CIA in my apartment also. Also, every night, they stay below my apartment. My apartment is empty. They sent every night the agents who are using this gas, murdering during the night.

THE COURT: I can't consider the merits of your case. It's clear to me you've had a chance to present our case. A judge dismissed your case. You did not appeal her decision.

MR. MROZ: Yes, because -- I'm sorry, because I thought they stopped to do this. Since that time the violation is existing.

THE COURT: And you have not served the government in a proper way, and I am going to dismiss this case in accordance with Rule 30.

MR. MROZ: Okay.

May I appeal to upper courts?

THE COURT: May you appeal my decision?

MR. MROZ: Yes.

THE COURT: Of course you may. If you want to, you go right ahead.

MR. MROZ: Do I need notice?

THE COURT: You go to the clerk's office and they will instruct you as to how to appeal it or you may go to an attorney.

MR. MROZ: I got the problems since two years, Ms. Maryanne Trump, needed help for these other problems to me. She should, at the time, should issue the poison apartment, for so many years.

THE COURT: If you have a complaint

concerning Judge Barry as well as myself, you have a perfect right to bring that to the attention of the Court of Appeals that sits in Philadelphia.

MR. MROZ: Yes. But as you are a judge, can you issue

the warrant to police department to tell them to arrest these people who are murdering me?

THE COURT: No.

Case is dismissed.

(The Court stands adjourned.)

AMENDMENT IV - THE RIGHT OF THE PEOPLE TO BE SECURE IN THEIR;

Persons: I have been poisoned by dentists by CIA order.

Houses: I pay rent. I cannot live in my apartment because I am being murdered by radiation generated by the CIA.

Papers: A couple of times the CIA made dirty tricks and I lost my money.

Effects: I could not get a job for six years because of the CIA that prohibited employers to hire me.

AMENDMENT VI - (1791)

In accordance with this amendment, I have got the right to a speedy and public trial by an impartial jury .... Unfortunately, the Federal Judge, the Honorable Harold Ackerman, delayed the case and then after 120 days of pending dismissed my accusation without giving

me any explanation. When I asked him to issue a warrant for the Bloomfield Police to arrest those agents who for many years illegally occupied an empty apartment below for the purpose of radiating me with very strong E-M waves, the judge refused to issue such a warrant. Then after seven months of pending, the Federal Court of Appeals for the Third Circuit summarily affirmed the order of the District Court in Newark. On April 15, 1992, eleven federal judges (from the CIA fraternity) from the Third Circuit denied my petition for rehearing also, as usual, not giving any (reason) opinion. No warrant was issued for police. The total pending time was more than eleven moths. I overcame this delay (pending) of torturing by radiation and poison and I have not allowed myself to get into provocation to break into that CIA apartment below. Of course during this period the

radiation has not removed the poison from y gums. They only ruined my health much more.

AMENDMENT XIV

In March, 1989, I was imprisoned for (6) six weeks in Marlboro Psychiatric Hospital.

In June, 1991, I was for the second time imprisoned in Mountainside Hospital in department of mentally sick for (11) eleven days. I was deprived of liberty without due process of law.
